

Career Paths and Desired Skills

National Security and Community Safety offers careers at the intersection of economics, law, policy, and cutting-edge technology. In these fields, students apply an interdisciplinary skillset to analyze threats and manage risks. Opportunities are available with a wide range of employers, including government agencies, think tanks, advanced materials firms, and companies focused on geopolitics and global trade.

FIRST THINGS FIRST

Get started with these resources and stay up-to-date on policy events and internships!

- **Sign up for industry newsletters** to get regular updates on opportunities in your area of interest
- **Explore the Jeff Metcalf Internship Program** to find paid, substantive internships around the world
- **Get personalized support** from a Careers in Policy and Social Impact adviser:
 - **Bethany Malzman** works closely with employers to create student opportunities with government agencies, think tanks, nonprofits, and more
- **To subscribe to Career Advancement's events calendar**, [copy this calendar feed URL](#) and add to any calendar application. Contact [Career Advancement](#) with any questions.

MEET EMPLOYERS AND BUILD YOUR POLICY SKILLS

Stand out by engaging with employers, learning important skills, and building your policy expertise.

- **Attend employer information** sessions to network with recruiters such as Chicago Appleseed, Atlantic Council and John Howard Association
- **Use the UChicago Alumni Directory** and other tools like LinkedIn to contact alumni at your target employers
- **Job shadow** with an alum working in government, intelligence agencies, or with a think tank
 - **Spring Break Job Shadowing (March 16-20)**: Apply by February 17
- **Apply for a national security and community safety career trek** to meet employers and learn about careers pathways. Upcoming treks include Chicago and Washington, DC.
 - **D.C. National Security and Public Policy Spring Break Trek (March 16-20)**: Apply by January 20
- **Apply for the Summer Institute in Social Research Methods** to get accelerated training in social science research methodologies. Apply and join the community of 68 UChicago students from the 2025 program!
- **Get involved with research** and work with a faculty member specializing in your field of interest
- **Apply for the FLAG Program**, which offers awards of \$7,000 to support the costs of intermediate or advanced language study abroad.
- **Join a policy competition** such as the **Emergency Relief Policy Simulation** happening on February 19
- **Sign up for the Metcalf Clinics Program** to work on an employer project with a team of peers.
- **Complete a policy immersion program** like the [Hoover Institution, Summer Policy Boot Camp](#) or the [Stimson Center Foreign Policy Futures Program](#)
- Join us for our **National Security & Community Safety Careers Conference** happening on **Thursday, April 2** to engage directly with employer partners and professionals through interactive sessions, networking and alumni and employer chats

GET EXPERIENCE

Get hands-on experience by interning with UChicago employer partners such as:

- **Intelligence Agencies:** CIA, Defense Intelligence Agency, FBI, National Security Agency
- **Think Tanks:** Atlantic Council, Center for Strategic and International Studies, Council on Foreign Relations, RAND Corporation
- **Advanced Materials and Trade:** Applied Materials, International Trade Administration, Mare Liberum, NVIDIA
- **Public Prosecutors:** Cook County State's Attorney's Office, Manhattan District Attorney's Office, U.S. Attorneys' Offices
