Subject: UChicago Student Interested in [Field]

Hi [Name],

My name is [Your Name], and I'm a [year/major] at the University of Chicago. I came across your profile while researching careers in [field/industry], and your experience at [Company] — particularly [specific aspect of their work] — really stood out to me.

I'm in the early stages of exploring this field and would be grateful for 20–30 minutes of your time to hear about your career path and any advice you'd share with someone just starting out.

I'm happy to work around your schedule. Thank you so much for your time.
