

P&G Pro Line® Bio Spot Carpet Spot Remover

A powerful carpet spot cleaner specially formulated with three enzyme-producing bacteria strains to eliminate organic soils and problem spots in carpets and upholstery. Cleans and deodorizes organic stains with a very effective surfactant blend.

Features

- Specially designed to eliminate urine, milk, beer, blood, vomit and other odor-causing organic material that is left in carpet backing and upholstery.
- Safe on 5th generation carpet (today's current dye-stable nylon carpeting) and water-safe fabrics
- Includes a pleasant fragrance to leave the area smelling clean and fresh
- Ready-to-use formula designed to be applied directly to the affected area

Applications

- Spot treatment designed to remove organic soils and odors from carpets, upholstery, and water-safe fabrics
- For best results, apply directly to affected area, lightly agitate, and blot
- Do not use as a spray cleaner, due to airborne enzymes risk
