

In-room Casting

A hotel room that feels like home.

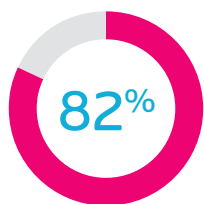

Give guests control of their in-room entertainment with our Casting solution.

Provide an optimal in-room experience

- Guests can Cast movies, TV programming, music, games, and more using their favorite apps from their personal devices to their room TV.
- With Casting from Shaw, your guests can start streaming in seconds. Simple, easy to use, and compatible with iOS and Android devices.

Trouble-free and secure

- Casting with Shaw technology prevents guests from Casting content to other rooms.
- Devices are installed in each room, and there is no need to replace existing TVs.
- 24/7/365 technical support.

of 18-34 year olds would use a Casting device in the room.
