RAMP — Raising and Accelerating MSME Performance

World Bank-Assisted Central Sector Program for MSMEs

A Government of India initiative to enhance MSME competitiveness, market access, and technology capabilities by strengthening center-state collaboration and existing MSME programs.

1 Key Benefits

Enhanced Access to Credit
Strengthens schemes like CGTMSE to make securing business loans easier.

Technology Upgradation
Support to adopt digital tools, e-commerce, and high-end machinery.

Dispute Resolution
Dedicated Online Dispute Resolution for delayed payment issues.

Green & Sustainable Growth
GIFT sub-scheme supports green energy & circular economy transition.

Market Access: Connects MSMEs to broader global and domestic supply chains.

2 Eligibility Criteria

Registration: Registered as Micro/Small/Medium Enterprise with valid Udyam/Udyog Aadhaar.

Active Status: Actively operating (manufacturing/services), not dormant.

Compliance: Must comply with legal & tax regulations, including GST registration.

3 Documents Required

Registration: Udyam Certificate

Constitution: MOA/AOA or partnership deed

Tax: GST Registration Certificate

Financials: Latest Audited Balance Sheet/Annual Report

Banking: Bank statements (last 6 months)

Project Report: Business plan with objectives, costs & assistance needed

ID/Address Proof: PAN, Aadhaar of promoters/authorized signatories

FY22-23 to FY26-27
PROGRAM VALIDITY

RAMP is a **5-year, time-bound** initiative. It acts as an **aggregator of existing schemes** (not a direct loan provider). All eligible MSMEs can apply and leverage its benefits throughout the implementation period.
