TENANTS

### **A** hassle-free and affordable way to set up your utilities with **Goodlord Switch**

Your agency wants to make your move-in as smooth as possible, so they've chosen Goodlord Switch to give you the most convenient way to switch your energy, water, and council tax: by doing everything for you. Goodlord removes the faff of getting set up with new providers, so you're all ready to go on day one. That's three things you can cross off your moving day to-do list.

## Introducing Octopus Energy

Choosing Octopus Energy as your new home's energy provider will set you up with a Which? 2020 Recommended Provider supplying 100% clean energy.

- Competitive and affordable energy tariffs
- 100% renewable energy
- No cancellation or exit fees
- 5-star Trustpilot rated for customer service
- Energy from day one with no disruptions to your supply
- No engineers or installer visits

## Ready to set up your utilities?

Set up is simple. Once you've signed your tenancy agreement:

- View your energy tariff
- Enter your direct debit details
- That's it

Once your tenancy agreement has been countersigned by your agency, Goodlord will start your switch, so your utilities are all set up on your move-in day. Octopus Energy will be in touch if they need any additional information from you.
