

PRESS RELEASE

D.L. Building Materials and Peridot Supply Open New Dartmouth Location to Serve the Halifax Regional Municipality

New shared location brings building materials, roofing solutions and specialized service closer to contractors across the HRM area.

DARTMOUTH, Nova Scotia - September 23, 2026. D.L. Building Materials and Peridot Supply are pleased to announce the opening of a new shared location at 200 Akerley Boulevard in Dartmouth. The facility will serve contractors, builders and construction professionals throughout the Halifax Regional Municipality with a broad selection of building and roofing materials, knowledgeable support and dependable delivery service.

By bringing the strengths of both businesses together under one roof, the new Dartmouth location offers customers convenient access to interior construction products and building-envelope solutions from a single, trusted source. D.L. Building Materials brings decades of experience supplying drywall and specialized building materials, while Peridot Supply contributes deep expertise in commercial and residential roofing systems and related accessories.

The expansion into Dartmouth reflects both companies' commitment to supporting the growing construction industry across Halifax and surrounding communities. Customers will benefit from experienced local teams, technical product knowledge, efficient order coordination and specialized delivery capabilities designed to help keep projects moving safely and on schedule.

Products and services available through the Dartmouth location include:

- Drywall, steel framing, insulation, ceiling systems and construction accessories
- Commercial and residential roofing products
- Building-envelope, waterproofing and related solutions
- Specialized tools, fasteners, adhesives and sealants
- Jobsite delivery and product support

"This new location is an exciting opportunity to combine the strengths of D.L. Building Materials and Peridot Supply and provide customers across the HRM area with greater access to the products, expertise and service they need," said Paul Green, President of GMS Canada. "We look forward to building strong local relationships and supporting projects throughout the region."
