\* Important Note: This is an optional service and charges are NPR 7,473 per application ('Fees')

I/We, \_\_\_\_\_ confirm that, I/we have been duly informed about the paid Premium Lounge Service operated by the VFS Canada Visa Application Centre including the benefits and complimentary services offered ('Premium Lounge Service'). I/We am/are well versed with the fact that the Premium Lounge Service is an optional service and **comes at an extra charge per application** over and above the VISA Fees and the VFS Global Service Fee.

I/We agree and understand that the Premium Lounge Service is charged 'per application' basis and not on 'per person' basis. For instance, if one (01) person submits three (03) applications opting to avail Premium Lounge Service, the charges payable would be three (03) times the Fees, due to the fact that three (03) applications are being processed at the Premium Lounge.

I/We confirm that the Premium Lounge Service is availed by me/us on my/our own accord as an optional service. I/We understand that the primary objective of Premium Lounge Service is to enable the applicants to submit their applications in a quiet unobtrusive atmosphere and making available complementary photocopying service up to a maximum of 10 copies, Hold at Location (HAL) and SMS alert on the status of application/s. VFS Global holds no further assurances on the Premium Lounge Service.

I/ We further confirm that, I/We have personally inspected the facilities available at the Premium Lounge Services and undertake not to hold VFS Global liable or responsible on any account, including that the said facilities fall short of my/our expectations.

I/We agree to pay and utilize the Premium Lounge Service:
