

Students who intend to enrol at an Italian university must submit the pre-enrolment application via the **UNIVERSITALY** portal (<https://www.universitaly.it>). For the online application, the personal data, the course of study of interest must be indicated and the scan of one's passport and qualifications to support one's application must be uploaded to the platform.

It is then necessary to wait, without further formalities, for the response from the University regarding the admission decision.

The University confirms, through the **UNIVERSITALY** portal, the acceptance of the pre-enrolment, indicating the possible need to present the Declaration of Value on the qualification that guarantees access to university studies in Italy.

Only if the University expressly requests the Declaration of Value, GHANAIAN STUDENTS must book an appointment to present themselves at the Embassy through the following [link](#), to present the following documentation:

1. A completely filled Declaration of Value [request form](#)
2. Copy of passport biodata page
3. Letter of acceptance from the University
4. High school diploma and transcripts (original, with translation in Italian)
5. Degree certificate and transcripts (original, with translation in Italian)
6. 2 copies of the documents in points 4 and 5

Consular fees:

Ghs 170.00 for high school diploma verification

Ghs 30 for verifying the degree diploma

GHs 68 for verification of nurse/midwife certificate (include copy of card and PIN code)

GHs 50 for verifying Higher National Diploma certificates

After requesting the declaration of value, students will be able to apply for a study visa through [VFS Global](#) without the need for an appointment starting from 27 May 2024
