Interest rates are subject to change.

All rates are in AER - Annual Equivalent Rate and illustrates what the interest rate would be if interest was paid and compounded once each year. Gross interest is the contractual rate of interest. Interest will be paid without the deduction of tax. Individuals may have to pay tax on any interest received that exceeds their Personal Savings Allowance. Further information on the Personal Savings Allowance can be found at <https://www.cynergybank.co.uk/about-us/personal-savings-allowance/>

ISA: Important information

You are restricted in the total amount you can invest in ISAs. Opening a Cash ISA will limit the amount that you can invest in a Stocks and Shares ISA.

Rates are guaranteed for the duration of the fixed term of your Cash ISA. If we change our rates at a later date, the new rates will apply to any additional deposits or transfers-in you make at that time.

Interest is calculated daily and paid annually. Variable rate interest is paid at the end of each tax year. Fixed rate interest is paid on the anniversary of the account opening.

You can only pay in up to the maximum annual deposit amount for the tax year, regardless of withdrawals made during the tax year.

Fixed rates are subject to change for new subscriptions.
