Funding fuels consistent growth for property developer Harepath

£20m:

London based property developer, Harepath, has experienced stellar growth over the past three years.

Cynergy Bank has played a pivotal role in supporting the evolution of Harepath since April 2022, with the company's funding now exceeding £20 million.

The most recent deal, finalised in February, amounted to £7.5 million led by Mitesh Hathi and Kathryn Lillis, further solidifying the partnership between the two organisations.

The funding provided by Cynergy Bank has allowed Harepath to enhance its service offering and increase profitability.
