6 Interest

- 6.1 Interest will accrue from day to day (before and after any judgement) at the rate set out in the Facility Letter. - 6.3 If agreed with us, interest may be compounded in accordance with our usual practice. Our current practice is to compound interest monthly for Loans. This means that we add interest to your account once a month. Subject to Condition 29 (Right to vary) we reserve the right to change the intervals at which we compound interest, but we will give you at least 30 Business Days' notice before we do so.
- 6.4 Where the interest rate on a Facility is set by reference to the Cynergy Bank base lending rate (the "Cynergy Bank Base Rate") we can vary the Cynergy Bank Base Rate at any time. The Cynergy Bank Base Rate will be published on our Website, but we shall not be required to notify you of any changes to the Cynergy Bank Base Rate.
- 6.5 Where the interest rate on a Facility is set by reference to any rate other than the Cynergy Bank Base Rate we may set a minimum (a floor) below which your Reference Rate will not be reduced irrespective of movements in that other rate. We may amend that floor from time to time in accordance with Condition 29 (Right to vary).
- 6.6 A Revolving Loan has one Interest Period only.

7 Revolving Loans

- 7.1 You shall ensure that the aggregate amount of all Revolving Loans (as confirmed in writing to us within five (5) Business Days after the end of each financial year) shall not exceed zero for a period of not less than seven (7) successive days in each financial year. Not less than three months shall elapse between two such periods.
- 7.2 If one or more Revolving Loans are to be made available to you on the same day that a maturing Revolving Loan under the same Facility is due to be repaid by you in whole or in part for the purpose of refinancing the maturing Revolving Loan, the aggregate amount of the new Revolving Loans shall (unless we agree otherwise) be treated as if applied in or towards repayment of the maturing Revolving Loan.

8 Default Interest

- 8.1 If you fail to pay any amount payable by you under a Facility Document on its due date, interest will accrue on the overdue amount from the due date up to the date of actual payment (both before and after judgment) at a rate which is one per cent. higher than the Interest Rate (unless otherwise specified in the Facility Letter).
- 8.2 Any interest accruing under this Condition 8 (Default Interest) must be paid immediately on demand by us and may (at our option) be compounded with the overdue amount at the end of each Interest Period but will remain immediately due and payable.

9 Early repayment and cancellation

- 9.1 You may, if you give us not less than five (5) Business Days' prior written notice, repay in full or in part any amounts borrowed under any Facility, but this will not affect any terms in the Facility Letter relating to charges for early repayment.

- 9.3 Without prejudice to Conditions 9.1 and 9.2 above, no Facility may be prepaid other than as permitted under the Facility Letter.
- 9.4 Unless a contrary indication appears in the Facility Letter, any part of a Revolving Facility which is prepaid or repaid may be reborrowed in accordance with the terms of these Conditions for Commercial Facilities. You cannot reborrow any amount of a Term Loan repaid or prepaid.
- 9.5 Condition 25 (Early Repayment Charge) sets out any ERC that applies in the event of an early repayment.

- 10.5 If you are required by law to make a Tax Deduction from any payment under the Facility Letter, the sum due from you in respect of such payment shall be increased to the extent necessary to ensure that, after the making of such Tax Deduction, we receive a net sum equal to the sum which we would have received had no such Tax Deduction been required.

- 10.6 You shall deliver to us evidence that is reasonably satisfactory to us that the Tax Deduction has been made or (as applicable) any appropriate payment paid to the relevant taxing authority.
- 10.7 All fees and other payments in respect of a Facility are exclusive of value added and similar taxes unless otherwise stated and you will pay all such taxes on demand where applicable.
- 10.8 If we receive a payment for application against amounts due in respect of the Facility Letter that is insufficient to discharge all the amounts then due and payable by you under the Facility Letter, we shall apply that payment towards your obligations under the Facility Letter in the following order:
