BOOTH WELSH DEAL SUMMARY

About

Founded in 1989, Booth Welsh has a workforce of over 320 in the UK, with further operations worldwide.

As an engineering technology business, Booth Welsh provides services and solutions to clients that fully optimise their operations, ensuring that both business and environmental goals are met. They hold multi-discipline capabilities in areas such as process control, functional safety, electrical control, instrumentation and digital technology.

Purpose of the Facility

Cynergy Business Finance was able to support Booth Welsh with flexible funding to support their MBO - acquiring the business from the Australian parent, a large multinational enterprise. This funding facility will help to complement their structure, depth and capability in delivering larger and even more positively impactful ESG-based sustainability projects.

BOOTH WELSH DEAL SUMMARY

Considerations

Cynergy Business Finance's flexible approach to funding ensured that this invoice discounting facility provided the necessary support for completion of the MBO as well as being implemented seamlessly into the business's operations.

Wide ranging accommodating facility metrics has also provided the client with maximised funding to support the trajectory of their growth.

“

It has been an absolute pleasure to work with the team at Booth Welsh through their MBO acquisition. This is an exciting time for the business, with their industry innovation being highly recognised worldwide.

CBF is proud to be supporting this fantastic Scottish business and we look forward to working with Martin and his team into the future.
