SHIRE GARDEN BUILDINGS DEAL SUMMARY

Cynergy Business Finance has provided a multi-asset funding package to Cambridgeshire-based Shire Garden Buildings, a family-owned bespoke UK manufacturer with a heritage dating back to 1945.

The funding provided by Cynergy Business Finance has refinanced the company's existing facilities while unlocking significant additional working capital to support its ambitious growth plans.

We worked in collaboration with Grant Thornton, the company's corporate advisor, whose close engagement was key throughout the process.

Cynergy Business Finance have been fantastic throughout the process. Jordan and the team took the time to understand the business, the seasonality of our trading cycle, and the flexibility we needed from a funding partner. They worked hard to deliver a facility that gives us the access to cash required to support growth, improve working capital and move the business forward.

We are hugely excited about the future and believe we have found the right partner to support the next stage of growth for the business over the coming years.
