

Maximize productivity and elevate your PC experience with

Dell PC Accessories

Why Dell Desk Solutions

Complete your desk setup with the right tools to boost productivity and drive AI acceleration.

Build your desk 

Seamless Experience

An extensive portfolio of products engineered & tested for a seamless user experience with Dell systems.

Unmatched Innovation

Complement the AI PC experience with a suite of Dell devices offering innovative features, advanced design and sustainable materials across the Dell portfolio.

Easy Management

End-to-end solutions with the industry’s first holistic peripheral management solution that customizes and manages the entire Dell PC ecosystem.*

* Based on Dell internal analysis – November 2024
‘Solution’ refers to a combination of Dell Management Portal’s cloud-based PCs management capabilities in Microsoft Intune & Dell Device Management Console’s cloud-based peripherals management capabilities
Dell Device Management Console and its cloud-based peripherals management capabilities planned for activation in March 2025
AI PCs refer to PCs with Intel® Core™ Ultra processors, that handle AI workloads on-device efficiently.
