your kids will

**LOVE**

this

Kids' Club is designed to attract, connect and transform the lives of kids around here. All of the songs, lessons and videos in Kids' Club are created just FOR kids, to help them learn something that is relevant to their lives each week.

To see what your kid learned this week, go to [crossroadskidsclub.net](https://crossroadskidsclub.net) and view the lesson and small group discussion questions..

*If you've got questions about Kids' Club or you'd like to spend time hanging out with some great kids, contact [kc@crossroads.net](mailto:kc@crossroads.net).*

needs your car

If you have a used car that's in decent condition that you're thinking about selling or trading in, consider donating it to Wheels instead. The Wheels Team will recondition it, make minor repairs and give it to a member of our community. You'll receive a tax deduction and, more importantly, the satisfaction of knowing that you've been a huge blessing to someone in need. To make a donation call 513.731.7400 ext. 1584 or email [bcollings@crossroads.net](mailto:bcollings@crossroads.net).

**7 HILLS**

we die on

excellence

We don't believe in striving for unrealistic perfection. Real excellence is about bringing your best to God's work and to life in general. We want to bring our "A-game" to everything that we do, whether it's our communication and music, how we hold babies in the nursery or how we take care of the building, we want it to reflect excellence for Christ. (Malachi 1)

*The Seven Hills We Die On are applications of biblical truth expressed through the unique personality of Crossroads. Check out the Info Center for the rest of 'em.*

**FAQ**

Is this "Church Light?"

No, but it is available in low-fat and caffeine-free varieties. Seriously, if you're asking that question, it's probably because you're not bored in church anymore. And that's a GOOD thing. Crossroads works to make its messages relevant to anyone, even people who don't believe in God. But the messages aren't just entertaining; they're also based on the teachings of the Bible. For more information on what Crossroads actually believes, pick up a "What We Believe" flyer at the Info Center.

### current message series

Our jam-packed lives can feel like a wall of noise. Instead of living from a place of rest and purpose, we're constantly putting out fires and powering through one more day. But what if we stop to rethink the rhythms in our life? What if we start getting intentional about what we're doing—and why we're doing it? God has plenty to teach us about creating goodness out of chaos. So we're spending four weeks learning to carve sweet, freedom-bringing rhythm from everyday noise.

Chuck Mingo presents a case study in rhythmic living.

**Welcome**

Whatever your thoughts on church, whatever your beliefs about God, you are welcome here. We won't make assumptions about what you believe. You won't be asked to wear a nametag or make a speech. We're just glad you're here, and we hope you enjoy yourself.
