

## **Conquered Grave**

by Austin Livingood, Dustin Smith, Robbie Reider

### **Verse 1**

Death has died, crushed by nail pierced hands  
When you cried, its finished life began  
Overcome by grace, new mercy fell  
Oh the gates of hell, could not prevail

### **CHORUS**

Jesus, the King of the kingdom  
Jesus the author of freedom  
Death has lost its say to a conquered grave  
Jesus, the King of the kingdom  
Jesus the author of freedom  
Every day we wake to a conquered grave

### **Verse 2**

Now you stand the resurrected Christ  
All who come to You will be revived  
Hope that can't be stopped, it can't be tamed  
Our confidence is found in Your great name

### **Repeat Chorus 1x**

### **Bridge**

Who could stand against the Holy One  
Even hell's defenses turn and run  
And we will rise again and stand  
With Him who's overcome the grave  
You've overcome the grave

## **CHORUS 2**

Jesus, the King of the kingdom  
Jesus the author of freedom  
Death has lost its say to a conquered grave  
Jesus, the King of the kingdom  
Jesus the author of freedom  
Every day we wake to a conquered grave

## **OUTRO**

Every day we wake to a conquered grave
