# HILLS

we die on

WE ARE COMMITTED TO:  
**doing life together**

We aren't interested in being a place where a lot of people get together for an inspiring service but never move beyond the casual, arm's distance relationships of an auditorium. We want to grow by really "doing life together." People who grow in their relationship with God also grow in their friendships with each other, moving beyond the Auditorium in small groups, Community Groups and through serving. Real community is knowing and being known, loving and being loved, celebrating and being celebrated, serving and being served.

Hebrews 10:24-25

*The Seven Hills We Die On are applications of biblical truth expressed through the unique personality of Crossroads. Check out the Info Center for the rest of 'em.*

## do your own THING

**Oakley**  
csmJR: Sunday at 10am  
csmSR: Sunday at 11:45am  
csmJR & SR: Saturday 6:15pm

**Mason**  
csmJR & SR: Sunday at 11am

CSM is more than a youth group or cheesy entertainment. It's an experiment to change our world through God's love. If you aren't sure what that is, or you're not even sure you believe in God, that's OK. There's a group of teens with similar interests waiting for you to discuss it and test things out with you. Leave your parents in the Auditorium and come check it out.

Check out the changes at [crossroads.net](http://crossroads.net)

We've made improvements to our website so that it's easier for you to find what you need. There's also a new "Recently Mentioned" section, which will highlight what's mentioned in the weekend service, including music, action steps, referenced books, quotes and more.

time here? OR SECOND, OR THIRD, OR TENTH...

**Free Stuff**

We love to give things away—in fact, we don't ever want to sell things around here. So go ahead, take a CD (or take a few, if you'd like). Grab a cup of coffee. Have a Bible. It's all free, so please help yourself to anything. (Except maybe the furniture. Please don't take the furniture.)

"LOST" has an agenda:  
To drive me crazy.

# FORCE FEED

## current message series

We've all heard the saying, "you are what you eat." That's also true about how we feed our heart, mind and soul with messages we receive through TV, radio, books, the web and even our mobile devices. Because we're constantly conformed by the messages we're fed, we need to be discerning about the agendas they represent, and how to make space in our lives to be transformed by truth.

## today

We'll be talking about how all media has an active agenda and you are the target.

### Use these questions during the week to complete the assignment Brian will give you.

1. How does this make me feel? Really?
2. What thoughts/views is this media trying to introduce/reinforce in me right now? Do I agree with them?
3. Does this media entertain me because it inspires the best in me, or the worst?
