today

We're talking about how changing the world requires personal investment.

Sacrifice never tasted so good.

We ate cheaply all week (way to go). Today, we'll invest the money we saved in four great efforts changing our city.

NEXT WEEKEND IS GOING TO BE BIG.

WHY?

- Because it's Easter (it's kind of a big deal).
- We'll announce the totals of all the money we saved.
- We're planning a special, immersive way to personally connect with the story of Easter. Bring a friend.
- Plus, an Easter Egg Hunt!

This is all true except the part about the Easter eggs.
