WE ARE COMMITTED TO
growth

We don't expect anyone who walks into Crossroads to be a committed Christ-follower, but we do expect everyone who is around our community for any length of time to be growing. We expect every person to be moving closer to reflecting the complete image of Christ in every area of life. This is a safe place for everyone. But safe doesn't mean comfortable. The answers aren't always comfortable. In fact, we often **grow** only when we are pushed out of our comfort zone.

Colossians 1:10

The Seven Hills We Die On are applications of biblical truth expressed through the unique personality of Crossroads. Check out the Info Center for the rest of 'em.

HOW TO GET INVOLVED AT CROSSROADS

The weekday Facilities Team at Oakley goes way beyond stocking cups and cleaning toilets. We need people who can paint, drywall, set up furniture, and perform other general home improvement-type tasks. If you've got free time during the week, this is a great way to help keep Crossroads Oakley looking inviting to guests.

To learn more about the weekday Facilities Team, contact Vicki at vstolarski@crossroads.net. For all of the ways you can get involved at Crossroads, visit crossroads.net/engage

meet THE SMILEYS

Mark and Mel Smiley serve on the GO New Orleans Leadership Team and will be helping to build homes and relationships there over the next two weeks.

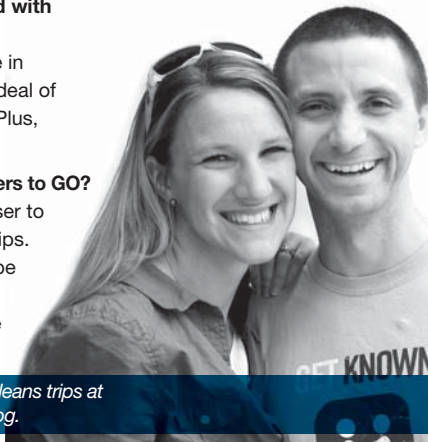

Why did you become involved with GO NOLA?

It was an easy decision; people in New Orleans still need a great deal of help, and we're able to assist. Plus, we love gumbo.

Why would you encourage others to GO?

It is life changing. We grew closer to God and made lasting friendships. It's an amazing opportunity to be a blessing to others, and interestingly, you often become blessed in the process.

Follow along on the GO New Orleans trips at crossroads.net/goneworleansblog.

discipleship/mentoring SURVEY

If you're currently in a discipleship/mentoring relationship, please take some time to fill out a quick survey to tell us about your experience. You won't be asked to sign up for or commit to anything. The information gathered will be used to help create tools and resources to equip folks in our community. **If you're interested in taking the survey, please visit crossroads.net/mentorsurvey.**

current message series

Jesus attracted a lot of attention. Whether He was performing miracles or teaching insights, people were drawn to him and they traveled long distances to see “the greatest show on Earth.” Join us as we explore what made Jesus so attractive, and why people are still drawn to him today.

today:

We will be talking about how Jesus redefined God.

Techies welcome

We are all about keeping up on the latest technology around here, (have you seen the sweet new automatic hand driers in the bathrooms?) so you are welcome to use your iPhone, Blackberry, laptop etc. to take notes during weekend services. We just ask that you be mindful of the folks around you and refrain from things like checking your Facebook account, texting, watching YouTube or playing video games.

RAMP TO 71 S REOPENED

The on-ramp from Ridge Ave to southbound 71 is open to traffic again. Some construction crews will still be there working through September to build a retaining wall, but the ramp should remain open.

CITYLINK GROUNDBREAKING

CityLink will break ground at 800 Bank Street some time later this month. The facility will include an 80,000 square-foot building on a five acre campus. The building will be re-purposed from the existing structure, an idle food processing plant, to include classrooms, offices, meeting spaces and computer labs. To learn more about CityLink, visit citylinkcenter.org.

PRAYER

Prayer is available after each service in your Auditorium seat. For other ways to receive prayer, or to find out about serving on the Prayer Team, go to crossroads.net/prayer. All requests are held in strict confidence.

For more info on things happening around Crossroads, visit crossroads.net, or “like” us on Facebook at facebook.com/crdschurch.

Small Groups

Looking for a Small Group? Help us improve the Small Group Finder Tool.

Small Groups are just that—gatherings of six, ten or so—for getting comfortable, investing in one another, changing. And we believe these small groups can have a big impact on your life.

If you’re looking for a Small Group, we’d like to help. **We’re piloting a new, online tool to help match you with others with similar preferences.** All you need to do is fill out a form (which takes about five minutes), commit to spending six weeks with the group you’re matched with, and answer a survey about your experience after the six weeks.

If you’re interested, please email us by July 18 at smallgroups@crossroads.net.

Kids’ Club is for ALL kids, regardless of their personality, energy level or special needs. All kids with unique needs can be paired with a buddy, an adult volunteer that will work with their parents to develop a specific plan so that they can participate in Kids’ Club as fully as possible.

In Mason: Special Needs is offered at the 9am service.

In Oakley: Special Needs is offered at the 4:30pm service on Saturday, and the 10 and 11:45am services on Sunday.

To register your child or to serve as a special needs buddy, email special@crossroads.net.

Why is the Auditorium so dark?

Find out the answer to this and any other questions you have at the next Context Live event on **Sunday, July 17 at 1pm at Crossroads Oakley**. You’ll also discover more about the vision behind Crossroads and how you can get involved (if you want). Meet some people. Get some questions answered. Eat some (free) lunch.

*For more details and to RSVP, visit crossroads.net/contextlive. **Childcare will not be available during Context Live this month.***
