SMALL GROUPS

Off-site, life-sharing, year-round communities of 6–12 people.

There's no one formula for starting or joining a small group. All it takes is a little initiative and the commitment to make it happen. Here's some suggestions to get started:

Talk to people you know. Ask friends in your neighborhood or on your serving team if they'd be interested in starting a group.

Surf the web. Post your interest in starting a small group or look for other groups to join by using the Find-A-Small Group tool at crossroads.net.

Sign up for a Community Group. Sign up for a group that interests you, and chances are you'll meet others with similar interests who might be interested in forming a small group. For more info on Community Groups, visit the Info Center or crossroads.net/cg.

your kids will
LOVE
this

But not as much as they love you. We are pumped to have your kids in Kids' Club for an hour every week, but you are the real spiritual leader in your child's life. Does that freak you out? We've got you covered. You can see what they learned each week in kids club by checking out crossroads.net/kc.

Also, be on the lookout for parent pages that provide fun suggestions of things you can do at home to help lead your kids. Don't worry, our suggestions for home aren't nearly as messy as the weekend activities.

If you've got questions about Kids' Club or you'd like to spend time hanging out with some great kids, contact Kim Botto in Oakley at kbotto@crossroads.net or Beth Peery in Mason at bpeery@crossroads.net.
