Why doesn't this place look like a church?

Find out the answer to this and any other questions you have at the next **Context Live event this Sunday, July 21 at 1pm at Florence and Oakley only.** You'll also discover more about the vision behind Crossroads and how you can get involved (if you want). Meet some people. Get some questions answered. Light lunch is provided, childcare is not.

CONTEXT

WHO WE ARE AND WHY WE DO WHAT WE DO

THE GOD EXPERIMENT

If you're currently in exploration mode about God and ready for something beyond the weekend service, check out The God Experiment. It's 8 weeks of individual study and weekly group conversations to explore what you believe, learn more about God's story, and consider what that story might have to do with you. If you're interested, email cwilson@crossroads.net or stop by the Info Center.

did you KNOW

There's a mobile-friendly site where you can view service times and directions, watch a weekend message, learn about Kids' Club and give to the life change we experience around here?

Go to crossroads.net on your smartphone.

The Program

I never would've guessed that we were under a Heat Alert if it weren't for all those odometers in my newsfeed.

Awaited Auditions

Awaited: A Christmas Show is an original, contemporary retelling of the Christmas story and it's returning for a 7th season. The show is a Crossroads production of full-scale theatrical performances utilizing all local (and largely volunteer) talent for everything from musical arrangements to dance to costume and set design. To learn more about 2013 audition dates and needs, visit crossroads.net/awaitedauditions.

current message series

If you shoved everything there is to know about God into your brain, your head would seriously explode. He's wiser, stronger, bigger and infinitely more interesting than you. But what's really wild is this—God wants you to know him. Join us as we scratch the surface of God's mind-blowing personality.

today

We're talking about how God is like a street fighter.

FIRST

time here? OR SECOND, OR THIRD, OR TENTH...

Techies Welcome.

We are all about keeping up on the latest technology around here, (have you seen the sweet new automatic hand driers in the bathrooms?) so you are welcome to use your iPhone, Blackberry, laptop etc. to take notes during weekend services. We just ask that you be mindful of the folks around you and refrain from things like checking your Facebook account, texting, watching YouTube or playing video games.

your kids will
LOVE
this

In Kids' Club, kids will hear God's story in language they can understand and in an environment where they can be themselves (which means lots of noise and activity). All the songs, lessons and videos in Kids' Club are created just FOR kids.

To see what your kid learned this week, go to CrossroadsKidsClub.net and view the lesson and small group discussion questions. If you've got questions about Kids' Club or you'd like to be a part of transforming the lives of kids, contact kc@crossroads.

7 HILLS

we die on

authenticity

We believe we can't be what God has called us to be if we play games with each other. Whether it's what happens on stage, within our smaller communities, serving teams or in our homes, we need to be able to share our faults and weaknesses and not fake it. That's authenticity, just being real. (Philippians 3:17)

The Seven Hills We Die On are applications of biblical truth expressed through the unique personality of Crossroads. Check out the Info Center for the rest of 'em.
