There is no “they” at Crossroads. It’s just you and me, and thousands of other regular folks seeking God. And when we all set our eyes and hearts on the direction God wants us to run, the results are extraordinary. WE are Crossroads.

Today: We are we.

FIRST

time here? OR SECOND, OR THIRD, OR TENTH...

Mobile-Friendly.

We are all about keeping up on the latest technology around here, (the sound system on the West Side is off-the-charts) so you are welcome to use your iPhone, Blackberry, laptop, etc. to take notes during weekend services. We just ask that you be mindful of the folks around and refrain from things like checking your Facebook account, texting, watching YouTube or playing video games.

NO LAST WEDNESDAYS UNTIL JANUARY

We’re canceling Last Wednesdays through the rest of the year, so we can focus on other great stuff happening at Crossroads— hosting the biggest Awaited ever, opening a brand new building in Mason, launching weekly services in Clifton and building a discipling culture.

this

At Crossroads, kids have their own space called Kids' Club. While you're in service, they're hearing fun, engaging lessons and participating in small groups where they can ask questions and be themselves. They also have plenty of hang time with other kids and our volunteers. Don't let them tell you all they did was play though: they learned something too. For fun music, videos and more, check out crossroadskidsclub.net.

If you've got questions about Kids' Club or you'd like to be part of transforming the lives of kids, contact kc@crossroads.net. lives of kids, contact kc@crossroads.net.
