What does it mean to Find Greatness?

When you find greatness—that true purpose you're meant to live out—it has a lasting impact on your world. But it's not discovered alone. You need real people for the journey, and someone a step ahead to guide you along the way. When we're all pursuing greatness together, God can use us to change the world.

Find Greatness. Try a Group.

MAY 12-13

WEEKEND

PICK YOUR PROJECT
[CROSSROADS.NET/GOLOCAL](https://crossroads.net/golocal)

GO Local is a weekend blitz of community service projects (construction, gardening, painting, hosting events, you name it) on May 12-13* and it's one way we, as the church, can start transforming our communities. Loving God isn't a solo sport, and you have the chance to show your neighborhood what Jesus looks like.

**There are NO SERVICES this weekend so that the whole church can do GO Local.*
