Not Your Grandma's Sunday School

In **Kids' Club** we use engaging music, original videos and compelling stories to reveal God's heart to kids and inspire them to change the world. In our Kids' Club rooms, you might find current video game systems, dry erase boards, or basketball hoops. Why? We believe that learning about God can be fun. But don't try to sneak in; we can tell if you're older than a fifth grader.

If you've got questions about Kids' Club or you'd like to spend time hanging out with some great kids, contact kc@crossroads.net.

This year I am in a small group with some NFL replacement refs. However, it's still under review where we'll meet.

People buy imitations because they want the real thing at a cheaper price. It's easy to do the same in our lives—settling for a cheapened version of our dating, marriage and family relationships. Join us as we learn to distinguish between knock-offs and the real thing.

We'll be talking about parenting.

About the Journey

A community-wide journey focuses the entire church on one topic for approximately six weeks. Everyone—from kids to the old folks—is on the same page, learning about the same topics and growing in similar ways. This year's journey consists of three main parts:

1. The Weekend Message

Be taught, get surrounded by the journey experience, where it all comes together.

2. Small Groups

The casual environment where you'll talk about your journey experience, get challenged and build into others.

3. Individual Challenge

Every week you'll get a challenge to apply the journey to your daily life.

Info Sessions

Learn more about the journey by attending a 15-minute info session. ALL INFO SESSIONS ARE 15 MINUTES AFTER SERVICES. No childcare provided. Pick up your kids first.
