RETURN ON INVESTMENT

current message series

Jesus is the world's most radical economist. He suggests that charity is a tired tradition, that money isn't the goal but the starting point, and that his Kingdom is so full of industry and innovation it'll turn the world on its head. For the next six weeks, we'll learn from this financial mastermind and make our money sweat for us. The key to it all? Maximum ROI.

today

We'll talk about the possibility of an enormous return.

FIRST time here? OR SECOND, OR THIRD, OR TENTH ...

Free stuff.

We love to give things away-in fact, we don't ever want to sell things around here. So go ahead, take a CD (or take a few, if you'd like). Grab a cup of coffee. Have a Bible. It's all free, so please help yourself to anything. (Except maybe the furniture. Please don't take the furniture.)
