

Do your job like a BOSS.
Crush that spreadsheet. Mulch like you own the place. Pack those lunches like you're the world champ of Capri Sun. God designed us to work, and he loves when we pile-drive our to-do lists into oblivion. So let's learn what it takes to work with purpose and authority (besides just growing a 'stache).

Today: Work like you're made for it.

FIRST

time here? OR SECOND, OR THIRD, OR TENTH...

Hi.

Just because you're new we won't ask you to stand and shout your name, but that doesn't mean we're not happy you're here. We're happy as big fat clams. But as soon as you want to start meeting some people, swing by the Info Center and we'll start the introductions.

crossroads

your kids will
LOVE
this

In Kids' Club we use engaging music, original videos and compelling stories to help kids understand God's Story. When you pick your kids up, you might find their small groups dancing in celebration, drawing on marshmallows, or jumping to see if they can reach the shoulders of a life-size Goliath. Why? We believe that learning about God can be fun. But don't try to sneak in; we can tell if you're older than a 5th grader.

For videos, music and more go to crossroadskidsclub.net.
