

Send Me - Lyrics

Justin Mosteller, Jesse Reeves, Aaron Hunt

VERSE 1:

Freely I've received so freely I will give
You laid down Your life so I can fully live
It would be my joy to lay down everything
I surrender all I'm a servant to the King

CHORUS:

I am alive saved by grace
With every breath I'll praise Your Name
Send me I will go send me I will follow
Send me I will go send me I will follow

VERSE 2:

Mercy draws me near
Your grace is enough
Whom then shall I fear
There's power in your love

CHORUS:

I am alive saved by grace
With every breath I'll praise Your Name
Send me I will go send me I will follow
Send me I will go send me I will follow

BRIDGE x2:

How sweet the grace that set me free
Woke me from my sleep and it's sending me
You can have it all all my life is Yours
I surrender to the One who has redeemed

CHORUS:

I am alive saved by grace
With every breath I'll praise Your Name
Send me I will go send me I will follow
Send me I will go send me I will follow
Send me I will go send me I will follow
Send me I will go send me I will follow
