## V1

I was an heir without a kingdom  
I was an orphan with no home  
These lungs were full of promise  
But emptiness I chose

## CHORUS

Oh the power, unending power  
Of Jesus' blood  
That washes white as snow  
Oh the power amazing power  
Of redeeming love  
This grace unshakable

## V2

I'm trading slavery for sonship  
I'm trading shackles for the keys  
My inheritance the kingdom  
Where my Father is the King

## CHORUS

Oh the power unending power  
Of Jesus' blood  
That washes white as snow  
Oh the power amazing power  
Of redeeming love  
This grace unshakable

## BRIDGE

You are the way to life and freedom  
(oh the power)  
You are the truth that can't be shaken  
(oh the power)  
You are the rock of my salvation  
(oh the power)  
I'm singing Oh the power of Jesus' blood

## CHORUS

Oh the power unending power  
of Jesus' blood  
That washes white as snow  
Oh the power amazing power  
Of redeeming love  
This grace unshakable

## BRIDGE 2

You're the way to life and freedom  
(oh the power)  
You're the truth that can't be shaken  
(oh the power)  
You're the rock of my salvation  
(oh the power)  
I'm singing Oh the power  
Oh the power  
Oh the power of Jesus' blood
