

I Will Not Be Consumed

V1

I've been deprived of peace
Forgotten true prosperity
I've chained myself to all that fades
Drank from the cup of emptiness
Ate crumbs from the floor
I've filled myself with all that fades

PC

But this I call to mind
Therefore I have hope
Because of the Lord's great love

CHORUS

I will not be consumed
I will not be consumed
I will not be consumed (I will not)

I will not be consumed
I will not be consumed

Every morning new
Great is His faithfulness
