

Seek the Lord

V1

We are hungry for so much more
Nothing we have satisfies
We are thirsty for healing water
Can it be found without a price

Seek the Lord and He will be found
He shows us mercy and compassion

PC

Is there more than what we know

CHORUS

Seek the Lord and He will be found
Call upon Him He will draw near
Seek the Lord and He will be found
He shows us mercy and compassion

V2

We are waiting for so much more
Working harder every day
We are searching for deeper meaning
Help us understand Your ways

PC

Is there more than what we know

CHORUS

Seek the Lord and He will be found
Call upon Him He will draw near
Seek the Lord and He will be found
He shows us mercy and compassion

Bridge

Can we find joy in this lifetime
Can we find peace in the storm
Oh Lord help us find You
Help us listen and be still

CHORUS

Seek the Lord and He will be found
Call upon Him He will draw near
