

This image shows a single sheet of white paper with horizontal blue or grey ruling lines. The lines are evenly spaced and run across the width of the page. There are approximately 20 lines visible. The paper has a slight shadow on the right side, suggesting it's resting on a surface. At the very bottom, there's a thin dark border, possibly from a scanner or the edge of the paper.

THE NEW MAN IS A TEAM PLAYER

FIRST

time here? OR SECOND, OR THIRD, OR TENTH...

Hi.

Just because you're new we won't ask you to stand and shout your name, but that doesn't mean we're not happy you're here. We're happy as big fat clams. But as soon as you want to start meeting some people, swing by the Info Center and we'll start the introductions.

THIS IS NOT A TV REMOTE

You were given a keypad on your way into service today. Sorry, it won't make the music louder (but that would be sweet). Actually, we're going to ask you some questions today and we really want your answers. Hold on to this device throughout service and please return it on your way out.

7 HILLS

Doing Life Together

We aren't interested in being a place where a lot of people get together for an inspiring service but never move beyond the casual, arm's distance relationships of an auditorium. We want to grow by really "doing life together." People who grow in their relationship with God also grow in their friendships with each other, moving beyond the Auditorium in small groups, Community Groups and through serving. Real community is knowing and being known, loving and being loved, celebrating and being celebrated, serving and being served. *Hebrews 10:24-25*

The Seven Hills We Die On are applications of biblical truth expressed through the unique personality of Crossroads. Check out the Info Center for the rest of 'em.
