THE WAY OF THE WISE

Stockpiling good advice does not a wise person make. Thanks, Yoda. Wisdom is a verb. It's seeing the pattern and following through. Instead of following the loudest voice or chasing the quick win—**let's learn to put wisdom into practice.**

time here? OR SECOND, OR THIRD, OR TENTH...

Techies Welcome

We are all about keeping up on the latest technology around here, (the sound system on the West Side is off-the-charts) so you are welcome to use your iPhone, Blackberry, laptop, etc. to take notes during weekend services. We just ask that you be mindful of the folks around and refrain from things like checking your Facebook account, texting, watching YouTube or playing video games.

crossroads

your kids will LOVE this

Kids can be part of something designed just for them at Crossroads. It's called **Kids' Club**...and it's freakin' fantastic! We use everything from sweet video to rockin' music to create awesome experiences that show kids how to be a part of God's story right now. Regardless of personality, energy level or special needs, all kids are invited. To see what they learned this week, check out crossroadskidsclub.net.

If you'd like to be a part of the Kids' Club weekend experience, contact kc@crossroads.net.
