We are getting into groups!

Groups can help us discover who God is, who we are and what we were made to do. Visit **crossroads.net/groups** to search for a group (in homes or at one of our sites), or apply to lead your own.

Some groups meet onsite at Crossroads, and they're perfect for connection and growing. Check out **crossroads.net/onsitegroups** for a full list and to get registered. Come on your own or with your group to be led by an expert facilitator on critical life stages, topics and needs.

Some include: Moms, Fathers, Financial Peace University, The God Experiment, Young Adults and Bible. If you'd like to connect with God and others facing similar challenges, check out one of the following:
