# 09 12-13

## The Program ❌

Today, is the first official game of the Bengals' season. We could provide detailed analysis about why we think this is the year, the year we'll go all the way. But we just want the team, the city and all of you to know that we stand with the Cincinnati Bengals. And win or lose, we'll wear our orange and black, drink a Hudy Delight and roar for the hometown team.

**Go Bengals!**

# DADDY Issues

Dads—we all have one. For some of us, our dad made us laugh, cry, feel secure and put on our big boy pants and get to school. Others of us missed out on knowing our dad. For better or worse, our relationship with our father influences our relationship with God.

**TODAY:**  
There's a better dad.

## FIRST

time here? OR SECOND, OR THIRD, OR TENTH...

### Hang around.

The weekend service is only a part of what goes on around here. It's fine to keep hanging out in the rafters, but when you're ready for some company, come on down. We've got a ton of ways for you to get connected—community groups, serving projects, big and small events. Stop by the Info Center and ask for the latest. We'd love to meet you.

## your kids will LOVE this

**Kids' Club** not only offers a fun learning environment for kids, it's also safe for babies 0–12 months. All the volunteers in the nursery are 18 and up, background-checked and will follow your instructions for bottle feeding etc. to the letter. So your little one will be well taken care of, and you can sit back, relax and enjoy the service.

*If you've got questions about Kids' Club or you'd like to help make Kids' Club happen each weekend, contact [kc@crossroads.net](mailto:kc@crossroads.net).*

## TEAM STORIES

Volunteers run this place (it's true, really). And we're always looking for more people to build into kids, make coffee and hang out with middle and high school students. Give it a try. You can meet new friends, grow spiritually and maybe learn the secret handshake.

### Patrick Ngo PRESCHOOL TEAM, KIDS' CLUB

"Serving in Kids' Club has helped my spiritual growth in ways I didn't think possible."

### Heather Hutzel FACILITIES TEAM, FIRST IMPRESSIONS

"My husband and I joined the First Impressions team and started serving in Facilities. There, I discovered the joy of serving. [And] our circle of community expanded."

### Marcus Allen BIG TEAM, STUDENT MINISTRY

"I'm a big kid at heart! Anything you do for God is important, so start doing something. You are enough. You just have to get started."
