THANKSGIVING FOOD DRIVE

Filling a TFD box is more than just providing a meal for a family in need this holiday. Your generosity brings hope and God's love in a tangible way to those who may feel forgotten. Well done.

INSTRUCTIONS TO DELIVER YOUR BOX(ES)

01

Schedule a drop off with the receiving family or organization. Give them a heads up to prepare if delivering a large quantity.

02

Include kids on delivery day. They make everything more fun and it shows them how to model Jesus' love.

03

Pray for your families or partner leading up to and on delivery day. It means more than you know.
