What does it mean to Find Greatness?

When you find greatness—that true purpose you're meant to live out-it has a lasting impact on your world. But it's not discovered alone. You need real people for the journey, and someone a step ahead to guide you along the way. When we're all pursuing greatness together, God can use us to change the world.

> Find Greatness. Try a Group. crossroads.net/groups

You should really do next steps. It's a three-week class designed to help you connect with God, explore the mission of Crossroads, and discover how God wants to use you to change the world.
