### Where are all the crosses?

Crosses are an important Christian symbol but no more important than any other. For example, some people believe we should have empty tombs everywhere (talk about wasted space). We don't want to reduce Christianity to just one symbol, nor do we want any symbol to lose its meaning by becoming an art piece folks pass everyday. When we speak about the cross and what it means, then we'll display a cross. So why not ask "Where are all the arks? Where are all the fiery chariots? Where are all the sheep and camels?"

Got a question? Ask me at TheProgram@crossroads.net.

## did you

Students who chose to participate in Whiz Kids improved their math scores by 55% and reading scores by 25%, compared to students who did not participate. Because of this success, Whiz Kids leaders were invited to the mayor's office to share their best practices with other mentoring and tutoring programs. It's not too late for you to get involved with Whiz Kids.

Jesus is the world's most radical economist. He suggests that charity is a tired tradition, that money isn't the goal but the starting point, and that his Kingdom is so full of industry and innovation it'll turn the world on its head. For the next six weeks, we'll learn from this financial mastermind and make our money sweat for us. The key to it all? Maximum ROI.

# your kids will LOVE this

But not as much as they love you. We are pumped to have your kids in Kids' Club for an hour every week, but you have lots more influence in your child's life than we do. Does that freak you out? We've got you covered. See what they learned each week in Kids Club at crossroadskidsclub.net/weekend.

Also, be on the lookout for parent pages that provide fun suggestions of things you can do at home to help lead your kids. Don't worry, our suggestions for home aren't nearly as messy as the weekend activities.

If you've got questions or want to get involved, contact **kc@crossroads.net**.

we die on	

WE ARE COMMITTED TO: authenticity

We believe we can't be what God has called us to be if we play games with each other. Whether it's what happens on stage, within our smaller communities, serving teams or in our homes, we need to be able to share our faults and weaknesses and not fake it. That's authenticity, just being real. (Philippians 3:17)

The Seven Hills We Die On are applications of biblical truth expressed through the unique personality of Crossroads. Check out the Info Center for the rest of 'em.
