Hang around.

The weekend service is only a part of what goes on around here. It's fine to keep hanging out in the rafters, but when you're ready for some company, come on down. We've got a ton of ways for you to get connected—community groups, serving projects, big and small events. Stop by the Info Center and ask for the latest. We'd love to meet you.

But not as much as they love you. We are pumped to have your kids in Kids' Club for an hour every week, but you have lots more influence in your child's life than we do. Does that freak you out? We've got you covered. You can see what they learned each week in kids club by checking out at crossroadskidsclub.net.

The journey is a six-week, community-wide study that focuses the entire church on one topic. Everyone—from kids to old folks—is on the same page. It consists of three parts: the weekend message, individual work and small group interaction. This year, we'll look at taking a brave step and walking in the confidence and power of who God made you to be.
