

PLAY.

current message series

Everyone is designed to work hard, but in the name of working harder, achieving more, and getting ahead, we can be tempted to completely squeeze valuable times of rest and recreation out of our lives. Without those times our lives can lack rhythm and leave us less effective. Join us as we learn how to play.

today

We'll be talking about discovering joy through play.

Weekends at Crossroads

Weekends here are for anyone who wants to seek God, from those exploring whether or not God even exists to committed Christ-followers. We present basic, biblical truths and show how they apply to our everyday lives. And we have a lot of fun doing it—we don't believe in disconnecting from the things we enjoy, the music we like or a great joke just because we're "in church."

FOUR INITIATIVES THREE COUNTRIES ONE COMMUNITY

+

Next weekend we'll begin a six-week series exploring the bold places God is leading Crossroads. Through the weekend services, a personal guide and the Game Change website (crossroads.net/gamechange), we'll each be challenged to go on a spiritual journey to discern how we're individually called to engage in the effort.

The Game Change Campaign is a financial campaign that will raise funds for four initiatives: making room for friends and neighbors in different parts of Cincinnati to hear about God; tackling poverty in our city; expanding medical care in Mamelodi, South Africa; and providing sustainable aftercare opportunities for girls rescued from forced prostitution in India.
