# HILLS

we die on

WE ARE COMMITTED TO:  
**reproduction**

**Reproduction** is about recognizing something that God has created and then reproducing it in his name. We want to send God's message out into the world by reproducing everything from the weekend program to CDs of each message series. Crossroads wants to be a place where Christ-followers reproduce Christ-followers, leaders reproduce leaders and churches reproduce other churches.  
Matthew 28:19-20

*The Seven Hills We Die On are applications of biblical truth expressed through the unique personality of Crossroads. Check out the Info Center for the rest of 'em.*

# FAQ

## What denomination is this?

Crossroads is Interdenominational. Our beliefs and rituals are shared by many different denominations and we welcome everyone. Plus, we were looking for a category that had a lot of syllables. We feel we picked a good one with a total of eight syllables, however probably the winner is The Protestant Episcopal Church of the United States of America. (Insert slow clap).

CSM is more than a youth group or cheesy entertainment. It's an experiment to change our world through God's love. If you aren't sure what that is, or you're not even sure you believe in God, that's OK. There's a group of teens with similar interests waiting for you to discuss it and test things out with you. Leave your parents in the Auditorium and come check it out.

## current message series

We probably all have at least one major unresolved question we need to wrestle with in order to go to a new place with God. Join us as we tackle some of the all-time heavyweight objections to faith and wrestle with what we find.

## today

We'll wrestle with the question of how Jesus can claim to be the only way to God.

## meet

# AMANDA

Amanda Maxam serves in Kids' Club. She says serving is one of the ways that she worships God, but that she gets a lot out of it too.

### Why did you choose Kids' Club?

Having that one hour a week to attend service with my husband and build our relationship with God is priceless. I just had to be a part of providing that for other parents.

### What is your favorite thing about serving?

Seeing that nervous parent, that was once me, pick up a smiling baby or a joyful child that can't wait to tell Mom and Dad what they learned today.

*If you're interested in serving in Kids' Club, visit [crossroads.net/engage](http://crossroads.net/engage), or pick up a volunteer application at the Kids' Club Info Desk.*

## this

At Crossroads, kids have their own space called **Kids' Club**. While you're in service, your kids are hearing fun, engaging lessons and participating in small groups where they can ask questions and be themselves. They also have plenty of hang time with other kids and our (background-checked) volunteers. Don't let them tell you all they did was play, they learned something, too. Check out this week's lesson at [crossroads.net/kc](http://crossroads.net/kc).

### CURRENT TOPIC: Jesus' Life

Expectations. We've all got plenty of them—some stored up and others forming every day—and they significantly impact how we experience each day. So what about our expectations of Jesus? Are they narrow? Off-kilter? For three more weeks, we'll be looking at ways Jesus derailed the expectations of the people he lived amongst, and how he still does the same thing today. And, yes, it's a good thing.

## the first sign of SPRING
