Kids' Club is designed to attract, connect and transform the lives of kids around here. All of the songs, lessons and videos in Kids' Club are created just FOR kids, to help them learn something that is relevant to their lives each week.

To see what your kid learned this week, go to www.crossroads.net/kc and view the lesson and small group discussion questions.

If you've got questions about Kids' Club or you'd like to be a part of transforming the lives of kids, contact kc@crossroads.

7 HILLS

we die on

doing life together

We aren't interested in being a place where a lot of people get together for an inspiring service but never move beyond the casual, arm's distance relationships of an auditorium. We want to grow by really "doing life together." People who grow in their relationship with God also grow in their friendships with each other, moving beyond the Auditorium in small groups, Community Groups and through serving. Real community is knowing and being known, loving and being loved, celebrating and being celebrated, serving and being served. (Hebrews 10:24-25)

The Seven Hills We Die On are applications of biblical truth expressed through the unique personality of Crossroads. Check out the Info Center for the rest of 'em.

Crossroads brews about 250 gallons of coffee per weekend and is one of the city's largest coffee brewers in terms of capacity?

That translates into giving away over 200,000 cups of coffee each year and going through at least 30 gallons of cream every weekend. (Whoa.)

FAQ

What denomination is this?

Crossroads is Interdenominational. Our beliefs and rituals are shared by many different denominations and we welcome everyone. Plus, we were looking for a category that had a lot of syllables. We feel we picked a good one with a total of eight syllables, however probably the winner is The Protestant Episcopal Church of the United States of America. (Insert slow clap)

current message series

Our jam-packed lives can feel like a wall of noise. Instead of living from a place of rest and purpose, we're constantly putting out fires and powering through one more day. But what if we stop to rethink the rhythms in our life? What if we start getting intentional about what we're doing—and why we're doing it? God has plenty to teach us about creating goodness out of chaos. So we're spending four weeks learning to carve sweet, freedom-bringing rhythm from everyday noise.
