

Audacious? Sure is. Easy target for naysayers? Without question. But read the books of Acts and you'll see world-changing, ripple-effect, obedience-stepping all over the place. Time to follow suit. (And...the beans are back.)

today

We're talking about setting ourselves on fire.

FIRST
time here? OR SECOND, OR THIRD, OR TENTH...

Hang around.

The weekend service is only a part of what goes on around here. It's fine to keep hanging out in the rafters, but when you're ready for some company, come on down. We've got a ton of ways for you to get connected—community groups, serving projects, big and small events. Stop by the Info Center and ask for the latest. We'd love to meet you.
