Jesus is the world's most radical economist. He suggests that charity is a tired tradition, that money isn't the goal but the starting point, and that his Kingdom is so full of industry and innovation it'll turn the world on its head. For the next six weeks, we'll learn from this financial mastermind and make our money sweat for us.

The key to it all? Maximum ROI.

Weekends at Crossroads

Weekends here are for anyone who wants to seek God, from those exploring whether or not God even exists to committed Christ-followers. We present basic, biblical truths and show how they apply to our everyday lives. And we have a lot of fun doing it—we don't believe in disconnecting from the things we enjoy, the music we like or a great joke just because we're "in church."

your kids will LOVE this

Did you know that almost every adult in Kids' Club on the weekend is a volunteer? That's right, a (background and reference checked) volunteer. These people willingly sacrifice their time on the weekend to hang out with your (clearly advanced and amazing) kids and teach them God's story. And, we couldn't have the weekend at Crossroads without them. So, give them a high five when you pick up your kid today and say, "thank you".

If you've got questions about Kids' Club or you'd like to spend time hanging out with some great kids, contact kc@crossroads.net or visit crossroadskidsclub.net for the latest videos and lessons.

WE ARE COMMITTED TO:
reproduction

Reproduction is about recognizing something that God has created and then reproducing it in his name. We want to send God's message out into the world by reproducing everything from the weekend program to CDs of each message series. Crossroads wants to be a place where Christ-followers reproduce Christ-followers, leaders reproduce leaders and churches reproduce other churches. (Matthew 28:19-20)

The Seven Hills We Die On are applications of biblical truth expressed through the unique personality of Crossroads. Check out the Info Center for the rest of 'em.

FAQ

Why do we ask people to stand up and sing?

The songs we sing are prayers set to music, and prayers are simply conversations with God. Standing puts our bodies in a posture of attention—like standing for the national anthem at a baseball game—and it's a way to begin the conversation with God by saying, "right now you have my full attention and I'm open to hearing from you."
