7 HILLS

we die on

biblical truth

Crossroads is a place for people on every part of the spiritual journey, from those just investigating whether there is a God to those who have made following Christ the priority of their life. The Bible presents a dangerous message of life change. We don't assume everyone believes, or even knows the Bible, but we do assume everyone who comes through our doors is open to exploring it. We believe the Bible is God's inerrant truth and it's the foundation to everything we do. (2 Timothy 3:16)

The Seven Hills We Die On are applications of biblical truth expressed through the unique personality of Crossroads. Check out the Info Center for the rest of 'em.

your kids will **LOVE** this

It's OK to wear fairy wings and rain boots to church. After all, Kids' Club is a space that is designed just for kids from birth to fifth grade to come as they are and learn about God. They may learn about fear by touching slimy bugs (fake ones) or how good it feels to forgive by unloading a backpack of rocks. Whatever they are learning, they are welcome to come in whatever makes them comfortable (even if it's a Spiderman suit and fireman's hat).

To see exactly what they are experiencing check out [CrossroadsKidsClub.net](#). If you've got questions about Kids' Club or you'd like help make Kids' Club happen each weekend, contact [kc@crossroads.net](#).

The Program ❌

We had a town crier all lined up to give announcements, but then some duchess had to go and have a baby.

current message series

If you shoved everything there is to know about God into your brain, your head would seriously explode. He's wiser, stronger, bigger and infinitely more interesting than you. But what's really wild is this—God wants you to know him. Join us as we scratch the surface of God's mind-blowing personality.

today

We're talking about how God is like a venture capitalist.

FIRST
time here? OR SECOND, OR THIRD, OR TENTH...

Relax.

It's OK to laugh at church. We don't take ourselves too seriously, but we take what we do VERY seriously. As a result, we like to make fun of ourselves, and sometimes, the Bengals. We believe that God has a sense of humor and that you should, too. But if you don't think it's funny, feel free to email us, and later we'll have a good laugh at what you wrote. (Kidding! See? We did it again.)
