LET'S CHANGE THE GAME

MULTI-SITE

We want to continue to invite friends who've given up on "church" but not on God. In order to keep growing, we'll need to expand. As we do, we'll build infrastructure to leverage the power of the local church to mobilize one team with a unified vision, ready to bless our city and the world in increasing ways.

- INDIA

By investing in aftercare in India, we're working to bring about transformation of the response to sex trafficking in Mumbai and Kolkata. We're in this uphill battle for the long haul. We're taking God's call to "seek justice and encourage the oppressed" (Isaiah 1:17) seriously, and we believe He's positioned us uniquely to make a real difference. one girl at a time.

SOUTH AFRICA

We believe God is calling our community to create a medical initiative to serve the outskirts of Mamelodi and provide the basic care we take for granted. We will apply best-practice methods for delivering health care in extreme poverty, and express the love of God through real relationships to create a powerful force that changes lives in South Africa.

LOCATIONS, SERVICE TIMES AND DIRECTIONS AT CROSSROADS, NET

Many of our city's finest social service providers have found that the old ways of providing services often fall short. They believe the synergy of integrating services under one roof-fueled by passionate volunteers from churches across the city—will better serve those in poverty. So together we founded the CityLink Center.

Today, we're changing the game.

GAME CHANGE CAMPAIGN ⊗2010

current message series

We've always played the game differently. From friends who decided to start a church for people who'd given up on church, to pursuing a revolutionary approach to tackling poverty in our city, we've seen God call us to big things-and we've watched as He's used our community to accomplish them. Join us on a spiritual journey to discover how God might be calling us to engage in his work in the world, and right in our own backyards.

Today is the day that we act on that call. Inside this program you should have a commitment card (just like the sample printed in your Game Change personal guide.) Hold onto it until you're prompted by Brian.

If you're new here, don't panic. The enclosed commitment card is a way for people who have been engaged on this journey over the past few weeks to respond to how God is calling them to participate.

HILLS we die on

WE ARE COMMITTED TO: reproduction

Reproduction is about recognizing something that God has created and then reproducing it in his name. We want to send God's message out into the world by reproducing everything from the weekend program to CDs of each message series. Crossroads wants to be a place where Christ-followers reproduce Christ-followers, leaders reproduce leaders and churches reproduce other churches. Matthew 28:19-20

The Seven Hills We Die On are applications of biblical truth expressed through the unique personality of Crossroads. Check out the Info Center for the rest of 'em.
