

# Hey Neighbor,

Things are getting weird. Toilet paper is a rare commodity. Social distancing can feel isolating and lonely. It can be hard to get to the store. I want to help you—I can shop, run errands, or just chat on the phone. We all need to take care of each other in these uncertain times. You are not alone.

My name is:

Call or text me at:

Looking for more ways  
to fight isolation?
