

How to Build People

current message series

God designed each of us to be pretty great. And His biggest tool for building the best versions of ourselves? Other people. Over the next four weeks, hear from expert people-builders as they share how God uses them to make others great.

today

We're talking about parenting through invitation and challenge.

FIRST time here? OR SECOND, OR THIRD, OR TENTH...

Hi.

Just because you're new we won't ask you to stand and shout your name, but that doesn't mean we're not happy you're here. We're happy as big fat clams. But as soon as you want to start meeting some people, swing by the Info Center and we'll start the introductions.

7 HILLS we die on

reproduction

Reproduction is about recognizing something that God has created and then reproducing it in his name. We want to send God's message out into the world by reproducing everything from the weekend program to CDs of each message series. Crossroads wants to be a place where Christ-followers reproduce Christ-followers, leaders reproduce leaders and churches reproduce other churches. (Matthew 28:19-20)

The Seven Hills We Die On are applications of biblical truth expressed through the unique personality of Crossroads. Check out the Info Center for the rest of 'em.

your kids will LOVE this

Kids' Club is for ALL kids, regardless of their personality, energy level or special needs. All kids with unique needs can be paired with a buddy, a volunteer who will work with their parents to develop a specific plan so that they can participate in Kids' Club as fully as possible. For information about special needs at your site email kc@crossroads.net.

If you've got questions about Kids' Club or you'd like to help make Kids' Club happen each weekend, contact kc@crossroads.net.

THE GOD EXPERIMENT

If you're currently in exploration mode about God and ready for something beyond the weekend service, check out The God Experiment. It's 8 weeks of individual study and weekly group conversations to explore what you believe, learn more about God's story, and consider what that story might have to do with you. If you're interested, email cwilson@crossroads.net or stop by the Info Center.

GoodSex Follow-Up GROUPS

Women's Healthy Sexuality (Oakley only)

Wednesday, July 10, 7-8:30pm, Meeting Room B

In our society there is a stereotype that only men struggle with compulsive sexual behaviors, but research has found that 40-50% of those who struggle with compulsive sexual behaviors are women. If you are a woman that faces this struggle, you are not alone.

This follow-up group is for women who have been affected by or who have struggled with compulsive sex behaviors, from masturbation, pornography and/or sexual activities. Women can RSVP to communitygroups@crossroads.net.
