

New to Crossroads? Hi.

We started this church for our friends who didn't like church. Today, Crossroads Church is a melting pot of folks who meet all over the city—and the more the merrier. No memberships or awkward hand-holding, just free coffee and biblical truth that'll wake your soul.

Why is the coffee free?

If you had friends over for breakfast would you charge them for a cup of coffee? Yeah, didn't think so. Plus, we want to build into people, not the bottom line.

Kids LOVE Kids' Club!

TINY BABIES – FIFTH GRADERS

Kids will hear God's story in language they can understand and in an environment where they can be themselves (which means lots of noise and activity). All the songs, lessons and videos in Kids' Club are created just for kids and families. To see what your kid did this weekend, go to CrossroadsKidsClub.net/Weekend.

Cave of Adullam

David left Gath and escaped to the cave of Adullam. When his brothers and his father's household heard about it, they went down to him there. All those who were in distress or in debt or discontented gathered around him, and he became their commander. About four hundred men were with him. —1 SAMUEL 22:1-2

Been here for a while?

How can I make this place feel small?

JOIN A GROUP.

We are getting into groups! They help us discover who God is, who we are and what we were made to do. Visit crossroads.net/groups to get informed, search for a group (in homes or at one of our sites), or apply and start your own.

Who funds this place?

THAT DUDE SITTING NEXT TO YOU.

It's the generosity of everyday people in our community that fuels the life change we experience around here. We follow three core principles in the handling of money: 1) bless people, 2) base our budget on what we think God wants, not on what we think we'll get and 3) money is a tool for a church to use and therefore should be spent, not saved.

Why is the room so dark?

I'M SURPRISED YOU CAN EVEN READ THIS.

Crossroads is a safe place to wrestle with hard questions. We understand that it's not always easy to walk into a new place, especially when that place is a church. So, we want people to be able to sneak in the back, sit in the dark and duck out before Ned Flanders from next door sees them.
