Since the Bengals are out, I'm rooting for the Colts. Their colors match my branding.

### current message series

For many of us, the new year means resolutions, big new plans and questions about life's purpose. But what if all this "big thinking" actually inhibits our ability to hear God's voice and take small steps of obedience every day? Join us in January as we discuss what it means to focus our efforts on what's "next."

### today

We'll be talking about how we can hear from God by noticing the things that move and disturb us.

# FIRST

time here? OR SECOND, OR THIRD, OR TENTH...

### Relax

It's OK to laugh at church. We don't take ourselves too seriously, but we take what we do VERY seriously. As a result, we like to make fun of ourselves, and sometimes, the Bengals. We believe that God has a sense of humor and that you should, too. But if you don't think it's funny, feel free to email us, and later we'll have a good laugh at what you wrote. (Kidding! See? We did it again.)
